

# BRENTWOOD COMMUNITY ASSOCIATION

[WWW.BRENTWOODASSOCIATION.COM](http://WWW.BRENTWOODASSOCIATION.COM)

## Getting Started:

My name is Joe Perzan your newly re-elected Brentwood Community Association President. I would like to welcome our new neighbors to the community and say hello to the current ones. For those of you that are new to our community, the Brentwood Community Association was established when these homes were built in 1976 and was created for the mutual welfare and benefit of the Brentwood Community. We try to have neighborhood functions throughout the year, last year we had progressive dinners, a Halloween parade and summer party in the park with a moon bounce and lawn mower race.

We have a community website and Facebook group for keeping up to date with neighborhood events and contact information. Please visit the website at [www.brentwoodassociation.com](http://www.brentwoodassociation.com) and checkout the community group on Facebook by searching for "Brentwood Community Association" group. You will need to ask to join to group. After acceptance in the group, you will be able to stay informed of community functions.

## Upcoming Events:

Some of the events on the calendar for this year are as follows.

1. Adult progressive dinner on Saturday May 26<sup>th</sup>.
2. Annual summer party sometime in late July.
3. Progressive dinner #2 in September.
4. Halloween parade and party for the kids in October.
5. Chili cook-off in November.

Check out the calendar section on the website for dates and times.

## INSIDE THIS ISSUE

Getting Started	1
Upcoming Events	1
Annual Meeting	1

## Annual Meeting:

We recently had our annual meeting on March 27<sup>th</sup>, 2012 and I hope to cover many of the topics in this newsletter. The remaining topics can be viewed on the website under the "Minutes" tab on the left side of the page.

We had our annual election during this meeting and the following are your elected officers. Joe Perzan (President), David Kopach (Vice-President), Doug Glenn (Treasurer) and Laura Perzan Secretary. The event coordinators are Monica Glenn and Shannon Bullock.

We voted during the annual meeting to raise the Brentwood Association yearly dues to \$20.00 per year. These dues help finance our community activities throughout the year. Without your continued support we would not be able to put on these events. We will be sending out membership renewal forms and return envelopes in June. Please make your checks payable to "Brentwood Community Association" and help support our community. With the additional dues it will be possible to create a neighborhood directory for paid members. After we receive the renewal forms with your information we will create a directory. If you prefer not to be listed in the directory please let us know on the form.

Thanks again for making Brentwood a great place to live, Joe Perzan – BCA President
